

5. Ensure continued course offerings for the dental students for transfer
6. Facilitate communication between students and NMC advising and other opportunities

Northwestern Michigan College agrees to:

1. Coordinate with BMCC in assisting courses
2. Invite BMCC degree
3. Assign an Academic Advisor to identify and assist transfer students who are first generation college students, graduates from low-income high schools, PELL or institutional need-based grant eligible recipients, graduates of underserved urban
4. Ensure continued course offerings for the Associate in Applied Science degree in the Dental Assistant program
5. Permit BMCC students to self-identify for credit
6. Grant an Associate in Applied Science degree to students who successfully complete NMC production requirements

Programs Affected:

Both institutions agree that all program materials, including a release concerning this articulation agreement shall be mutually approved prior to publication, release, or comment, which such approval will not be unreasonably withheld. Both institutions agree that all program materials will be made available to institutions of higher education upon request.

Length of

The parties commit to a review every two years. The agreement is in effect until the end of 2025. Upon satisfactory review of the agreement may be renewed through a new agreement. The agreement may be suspended or revoked upon written request by either party. Advance notice for an administrative review of the agreement shall be provided to the representative from BMCC. The agreement may be revoked if a student currently enrolled in the program shall be permitted to complete the program.
